

Jon Thomas Rowland
or **FREUDIAN SLIP?**
or
What Do YOU call
a PIZZA BARONESS?

It was even in the DSM
- why not?
- everything ELSE was!
PIZZAPHRENIA!!

There was a DISORDER called MORAL IMBECILITY....

Of course, it didn't exist either, but the pathological lying of \$CAMH and its mouthpieces ("BELA" Hirling of STATE TVO, especially), sponsors and tools, made Johnny wonder.

Was The Man Going Over Niagara Falls just an analogy that the PIZZA BARONESS ran away with (or vice versa) - or an unfortunate FREUDIAN slip?

Because it implied that it was right to ignore someone in real and immediate distress, someone whom one really could help - to RESEARCH an elusive CURE - which looked alarmingly like old-fashioned MENTAL HYGIENE - which was not only NEBULOUS, but DANGEROUS - and here directed at the most vulnerable, at CHILDREN.

Kindergartens were one thing, but when Vixen Foxy Weasel-Theatre raised serious money for \$CAMH - it was no KINDERGARTEN. It was brain-based BAD PHARMA - for KIDS!

Thought he'd better not call her at all....
